Sir:

The undersigned represents that he is the Attorney of record for Application No.

The owner, MediaLab Solutions LLC, of the entire right, title and interest in U.S. Patent Nos. 6,608,249 and 6,392,133 (the "Disclaimed Patents"), and in the above-captioned Application No. 10/640,854, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of any of the Disclaimed Patents.

The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the Disclaimed Patents are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154-156 and 173 of any of the Disclaimed Patents, as presently shortened by any terminal disclaimer, in the event that any such Disclaimed Patent later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

This application remains a Small Entity. Please charge the fee for a Terminal Disclaimer in the amount of \$65.00 to Deposit Account 50-0251. Please charge any additional fees or credit any overpayment to that same account. An additional copy of this transmittal is enclosed.
